EDUCATION

Bachelor of Technology

Valia Koonambaikulathamma College of Engineering and Technology

2021 - Present

Chavarcod, Trivandrum

Projects

- Portable Wifi Jammer (Tech fest 2022)
- Ethical Hacking Workshop (Tech fest 2023)
- Emergence of Neuromorphic Computing (Seminar)
- Deep learning Workshop (Tech Expo 2022)
- Face recognition Attendance System (Mini Project)
- Campus ERP software

Higher Secondary

Vivekananda Higher Secondary School, Poredom

2019 - 2021

9.8 CGPA

Projects

- IoT theft alarm System (Science fest 2019)
- IoT Health monitoring System (Sree Chitra Institute - Competition)

High School

St Ann's Central School, Ayur

2017 - 2019

9.47 CGPA

WORK EXPERIENCE

Student CTO

IEDC College Wing

2023 - Present

IEDC Cell VKCET

Events

- A.I character making Workshop
- Ethical Hacking Workshop
- 3d Printing Workshop

Co-Founder

Syncify Edutech Solutions

12/2024 - Present

Edutech Startup made by college students

Kollam

SKILLS

Java

C/C++

Python

SQL

UI/UX

Oracle Cloud Console

IoT

Arduino Development

Raspberry Pi Development

PC Hardware Assembly

Graphic Designing

Leadership
